

PROPTALK'S PICKS FOR FIREWORKS KICKS

“My dad used to put on a Fourth of July fireworks show on the lake behind our home in Boca Raton, FL,” says Michelle Bosserman, *PropTalk*'s summer intern this year. “He and his friends would spend months getting the fireworks ready and timing them to patriotic music (dad still listens to his sound sets from those parties). The whole neighborhood would show up. We’d always send one ‘Swift Boat’ firework out on the water to wake up the lazy, resident alligator.” *PropTalk* has once again taken the guesswork out of your fireworks planning. Check out our exclusive list of where you can see fireworks from the comfort of your boat this year.
